

A satellite map of a large, irregularly shaped tropical island. The island's interior is covered in dense green vegetation, with a network of roads and some cleared areas visible. The coastline is fringed by a light blue or turquoise shallow reef flat. A small yellow rectangular box is positioned on the northern coast of the island, highlighting a specific area of interest. The surrounding ocean is a deep blue. At the bottom of the image, there is a coordinate scale with labels: -149.90, -149.85, -149.80, and -149.75. The Google logo is in the bottom left corner, and the text 'Imagery ©2022 TerraMetrics' is in the bottom right corner.
